

Duck Creek Loss Control

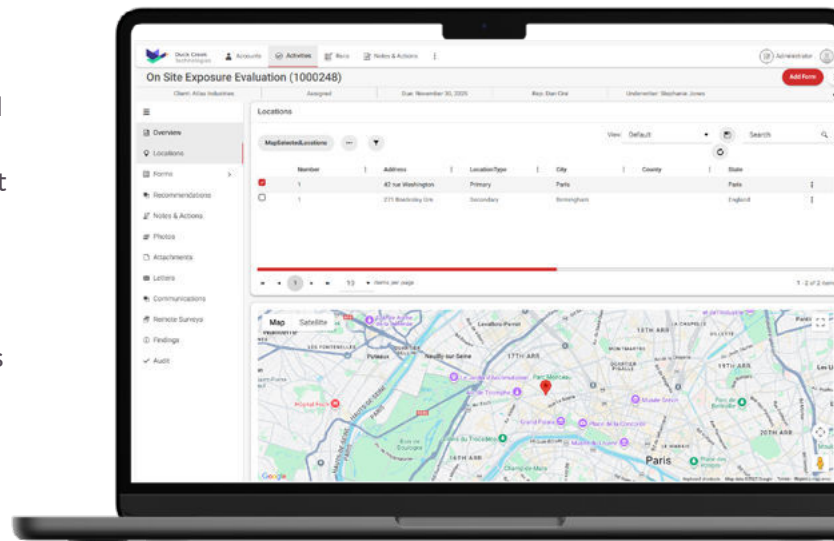

Proactively Identify and Mitigate Risk

Duck Creek
Technologies

P&C insurers face immense pressure to proactively assess and mitigate risk while boosting operational efficiency. Yet, outdated manual loss control and fragmented data lead to inefficiencies, inconsistent risk assessments, and higher claims costs.

A modern loss control solution isn't just a data collection tool; it is a competitive differentiator. Welcome to a future where Duck Creek Technologies revolutionizes your ability to proactively mitigate risk, improve operational efficiency, and drive profitable growth.

Smarter, More Efficient Risk Management

For decades, Duck Creek has been at the forefront of insurance technology, revolutionizing how P&C carriers manage their operations and risk. Duck Creek Loss Control, our solution, transforms this critical process with its **modern, digital-first approach**, fundamentally accelerating your ability to proactively identify, evaluate, and mitigate risks.

Unlike fragmented solutions that merely scratch the surface, our integrated approach delivers a comprehensive toolkit for streamlined data collection and analysis. This deep well of industry expertise and unified control empowers carriers to **reduce claims, optimize pricing, and increase customer retention**, ensuring a sustained competitive advantage in a dynamic market.

Key Benefits

Understand your Complete Risk Picture

Eliminate blind spots and gain a comprehensive view of risk exposure through structured and standardized evaluations, allowing for more informed decision-making.

Boost Efficiency and Cut Down on Busy Work

Automate workflows and data collection and reduce manual effort and administrative burden.

Improve Decision-making and Speed

Enable seamless collaboration for better communication between underwriters, loss control teams, and policyholders.

Predict and Prevent Future Losses

Gain powerful data-driven insights through advanced analytics, allowing you to identify trends and stop losses in their tracks.

Grow and Adapt with Ease

Easily adapt to diverse lines of business through configurable workflows.

Key Features

Duck Creek Loss Control delivers more powerful control across your entire book of business, helping you predict and prevent claims, optimize account selection, and retain customers at a significantly improved rate.

Work Management

Automatically assign tasks and recommendations, manage service plans, schedule visits, map routes, work offline, and consolidate all data in one easy-to-manage tool.

Platform Ecosystem

Deploy out of the box integrations and public APIs to connect with broader ecosystems, maximizing cross-functional impact and boosting business intelligence.

Account Selection and Targeting

Leverage, predict, and prevent through an advanced automation engine, optimizing account selection and deploying the most appropriate service approach.

Automated Reports and Letters

Easily create and manage configurable reports and letters that auto-fill account and survey data, showcasing value through detailed stewardship reports.

Achieve Unrivalled Agility in Loss Control

With Duck Creek Loss Control, P&C insurers proactively identify, evaluate, and mitigate risks, improving operational efficiency and driving business growth. By streamlining data collection and analysis, your organization can focus on strategic risk management while maintaining compliance and accuracy.

Imagine efficiently assessing and mitigating 100% of your book of business. That's the reality with Duck Creek Loss Control. By minimizing manual effort and fragmented data, your organization is free to pursue vital strategic initiatives with complete confidence in your risk insights and data accuracy.

Transform every potential loss into a strategic advantage. Our **loss control solution**, amplified by our extensive partner ecosystem, is designed to maximize your investment and accelerate your growth.
